Why Sponsor Us ?

This Year, Abhyuday is taking place on 30th and 31st of March at MSRIT campus in Bengaluru, Karnataka. Sponsoring an IT event can be a smart investment for your business. By Sponsoring Abhyuday you are opening doors to a galaxy of enthusiasts coming from different parts of the city and state. So if you are looking for ways to reach a highly targeted audience and gain a competitive edge in the IT industry, sponsoring an IT event could be a great strategy to consider. Your support will benefit your own organization in several ways.

- + Sponsoring Abhyuday can give your brand significant exposure to a highly relevant audience.
- + You can increase your brand's visibility and create awareness of your company among this target audience as well as showcase its features and benefits to a targeted audience.
- + It will increase the network and help you interact with top talents.
- + If your brand is a food based brand then it would also increase the sales of your product for the day and would fetch more customers on a long run.

About our Institution

M. S. Ramaiah, a philanthropist, founded 'Gokula Education Foundation' in 1962 with an objective of serving the society. M S Ramaiah Institute of Technology (MSRIT) was established under the aegis of this foundation in the same year, creating a landmark in technical education in India. MSRIT offers 17 UG programs and 15 PG programs. All these programs are approved by AICTE. All eligible UG and PG programs are accredited by the National Board of Accreditation. The institute is accredited with 'A+' grade by NAAC in March 2021 for 5 years. University Grants Commission (UGC) & Visvesvaraya Technological University (VTU) have conferred Autonomous Status to MSRIT for both UG and PG Programs since 2007. The Institute is ranked 67th among 1249 Engineering Institutions and 17th among 91 Architecture Institutions across the country, as per the 2022 NIRF Rankings published by MoE, Govt. of India.

The institute has 380 competent faculty out of which 60% are doctorates. Some of the distinguished features of MSRIT are: State of the art laboratories, individual computing facility for all faculty members, all research departments active with sponsored funded projects and more than 300 scholars pursuing Ph.D. To promote research culture, the institute has established Centre of Excellence for Imaging Technologies, Centre for Advanced Materials Technology, Centre for Antennas and Radio Frequency Systems (CARFS), Center for Cyber Physical Systems & Schneider Centre of Excellence. M S Ramaiah Institute of Technology has obtained "Scimago Institutions Rankings" All India Rank 107 & world ranking 600 for the year 2022. The Entrepreneurship Development Cell (EDC) and Section 8 company "Ramaiah Evolute" have been set up on campus to incubate startups. M S Ramaiah Institute of Technology is recognized by Atal Ranking of Institutions on Innovation Achievements (ARIIA), by MoE, Govt. of India.
